## On-line Reporting Made Easier

The El Paso Police Department is happy to announce the launch of a new and improved website for on-line crime reporting. The updated site offers a streamlined process to reporting with a wider menu of offenses included. The public is encouraged to use the website to report crime not in progress and that which does not require a police response. ***If you have an emergency, someone is injured or a crime is in progress DIAL 9-1-1 immediately.*** The new website can be accessed through the following link:
